## NEWSLETTER - DECEMBER 2024

**SONAS**  
CHRISTIAN  
HOLIDAYS

Dear Friends

We are delighted to announce that our destinations are now live on our web site!

It feels like a huge achievement for us, and I thank my Trustee colleagues for their fantastic efforts in planning and negotiating all venues. Also, a big thanks must go to our Holiday Leaders who have agreed to take on the responsibility of leading each holiday and taking time out of their busy schedules. We are most grateful to them all.

A big mention must also be acknowledged to Doug Mackay our web designer at Inverness Design Studio who has answered so many emails and done numerous changes to get the web site in a format that is suitable. Technology continues to advance, and we are most thankful for his suggestions and invaluable advice. As a result, we are now able to take online payments as well.

So, we are 'open for business' and we look forward to seeing all the bookings coming in as there has been considerable interest in SONAS Christian Holidays.

We are planning to have two meetings each year, one Fellowship Day in the springtime and one in November to celebrate all our holidays and hear stories of our many travels.

Season's Greetings to you all and may you know the joy of the 'Prince of Peace' at this time in your lives.
